

Kansas State University's Department of Civil Engineering seeks to fill a 0.5 time, 9-month Temporary Instructor position to teach Elementary Surveying Engineering and one other civil engineering course each semester based upon the needs of the department and the expertise of the instructor. Applicants should have a B.S. in civil engineering or related fields. Work experience is a plus. Advanced degrees in civil engineering or related fields are preferred. Submit a cover letter, resume and the names and contact information of three references electronically to Dr. Robert Stokes, Professor of Civil Engineering ([drbobb@ksu.edu](mailto:drbobb@ksu.edu)). Screening of applications will begin on May 10, 2011 and continue until the position is filled. Kansas State University is an equal opportunity employer. A successful pre-employment background check is required before a job is offered.
